And as professionals, we are part of the solution or part of the problem. No wonder these individuals are executed at such high levels or leave so quickly. Supervisors, our customers, our patients or our mentors and peers must be telling us this frequently. I like to say: "I wanted to ask you, is there anything I can do to help you or any questions you have about our work?" Obtain a temperature check. How comfortable are you giving feedback to others? No, the same thing, although I spent 20 years in Exacito, it was created by Men from South Angry, has 5 children and I am in my third wife, I sometimes can be seen as insensitive or even inaccessible.
